# OALPRP Summer Training Agenda—2009

**Wednesday, June 24th**

**Early Birds and Brew (Continental Style)—7:45—8:45**

**Registration**—from 8 am to 5 pm in the pool entry

**Tours**— will take the first 55 people signed up. **Clothing requirements—closed toe shoes such as tennis shoes, ankle length pants. No wheelchairs allowed. The bus will NOT be going back to the hotel.**

**Wilson Football Plant in Ada**—Meet at the hotel lobby at **9:00 am** to get onto Tour Bus. This facility in Ada makes the official footballs for the NFL. You will be able to buy seconds and blimps-**cash only**-for \$5-\$15.

After this tour, the bus will take you to lunch at *Tilton Farms* where you'll step back in time and learn a little history of the area. **Over at 1:30 pm.**

Once lunch is over, we'll go to the *Ford Plant* in Lima and learn how Ford is going green in this facility. Done around 3:30 pm. (this is a two mile walking tour)

**Wednesday Evening—6 pm to 9 pm**

Sponsored by: GT Environmental, Inc.

Meet in Session Rooms

Pizza Party and sharing with folks that have different educational, recycling and litter projects to share with you for your programs.

**Note: DSL and wireless is available at no charge in the hotel.**

---

**Thursday, June 25th**

**Registration**—from 8 am to noon in the pool entry

**Exhibit (Vendor) Hall Open from 9:30 to 4:30**

**Check out the SILENT AUCTION Items—bidding closes at 4:30 pm**

**8—9** Buffet Breakfast

**9—9:45 & 10—10:45**

*Education Track*—What is a Polymer? Learn about environmental impact, where to find them, and how they relate to recycling. Each participant will receive a kit of materials and several classroom ready lessons, with Marti Kolb and Joanne Mudra

**9—9:45** *Technical Track*—Jim Skora from GT Environmental will discuss how to “Purchase Smart” on items that are considered Hazardous Waste in the Home

**10—10:45** *Technical Track*—ODOT Partnering with Kim Roessner on the Adopt-A-Highway program

**Time with Exhibitors**

**12—12:30**—Hear what an ODNr representative has to say about the “state” of ODNr

**12:30—1:30**—Buffet Lunch sponsored by Clean Harbors  
C.R. Myers Scholarship presentation

**Thursday (Continued)**

**1:45—2:30** *Education Track*— “Aldo Leopold Education Project” with Amanda Gamby & Erica Bruielly. Teaching students about responsible values that includes the sustaining of natural cycles, the preserving of plant and animal species, and the exercising of caution before changing ecosystems in major ways without careful study of future consequences.

*Technical Track*— (Tentative) “LEED Today” Monty Gillespie is an architect that deals with Leadership in Energy and Environmental Design. Hear about how Monty works with companies on construction reclamation to achieve their LEED rating.

**2:45—3:30** *Education Track*— “Images of the Land” Learn about building community sharing with Ellen Keyes from Gateway Arts Council in Shelby County will discuss how they partnered with other organizations on a new campaign that has been Nationally Recognized by Soil & Water Conservation Districts.

*Technical Track*—Ernie Stall from OEPA will update you on the new state solid waste plan

**3:30 –4:30** **Time with Exhibitors**  
**Silent Auction Winners Announced**

---
